

CONSENT FOR ACCESS TO PROPERTY

Title:	MOUND ST. PCB
ID #:	MO0000093682
Break:	17.2
Other:	11-9-95

The United States Environmental Protection Agency (EPA), pursuant to the authority and requirements of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA), 42 U.S.C. 9601, et. seq., and the Superfund Amendments and Reauthorization Act of 1986 (SARA), is planning to conduct an investigation. Pursuant to Section 104 of CERCLA, as amended by SARA, Congress has given EPA express authority to conduct this investigation. This authority includes tests and other information-gathering necessary to determine the existence of hazardous substances, pollutants, and contaminants in the environment. CERCLA authorizes designated EPA representatives to enter and obtain the necessary information.

Additionally, the representative may take photographs, collect samples, drive vehicles onto the site and dispose of a small amount of decontamination fluid (consisting of water, isopropanol, and detergent) on the property. EPA representatives will offer the owner or company representative(s) replicates of the samples collected if requested. Prior to leaving the property, the EPA representatives will supply the owner or company representative(s) with a written list of the samples collected on the property.

The owner of the Mound Street PCB Site (former Union Electric Mound Street Facility) located at 100 Mound Street in St. Louis, Missouri, shall permit Sverdrup Corporation personnel, CDM Federal Programs Corporation personnel, state personnel, and/or EPA personnel access to this property for the purpose of conducting an onsite reconnaissance and collecting environmental samples. Sverdrup Corporation and CDM Federal Programs Corporation are under contract to the EPA to carry out certain tasks and responsibilities under authority of CERCLA and SARA.
